

Directions to Belview Cottage, Fifehead Neville, Sturminster Newton, DT10 2AL

If you put this postcode into SatNav, it will direct you into Fifehead Neville via a narrow pot-holed lane and through a ford which frequently floods. There are very few passing places and it can be difficult to turn around if you decide not to go through the ford.

If you use the postcode DT10 2AQ, this will take you to Woodrow, Fifehead Neville, which avoids the ford and is at the top of the lane on which the cottage is situated. There is a signpost for Fifehead Neville on the bank opposite - turn down the lane and go about half a mile. When you pass the village sign on the verge on the left, Belview is the next property on the left - turn in through the gates and the cottage is on your left.
